Single Traveler Policy

Many of our guests travel on their own. Our style of trip is ideal for single travelers combining the benefits of group camaraderie and group security with lots of individual flexibility in what you want to do each day. Single supplement options vary by trip style. Standard trip pricing is based on double occupancy. Solo guests can request either to share twin accommodations with another traveler or request single accommodations for an additional fee. If you are willing to share and we are able to match you up - no problem and no extra cost. If we cannot match you up then we have a simple, affordable \$149US or \$189Cdn supplement fee for trips of 6 nights and longer and \$59US or \$75Cdn for shorter trips. This fee will be applied at the time of booking, but will be reimbursed just before your departure if we are able to match you up.

Should you prefer private accommodations, we can provide you with your own room and the following charges apply.

Epic Belize - \$400US or \$495Cdn

NOTE: The number of single rooms available on most departures is limited, and may not be available at each location. If we are not able to provide your own room throughout the trip, we will pro-rate the supplement fee.
